

# SUMMER GUITAR LESSONS

If you would like to take private guitar lessons or bass lessons with Mr. Petrucci this summer then now is your chance to sign up. All ability levels are welcome from beginner to advanced. Learn all of your favorite songs, how to read music, performing and playing with others, etc. Lessons will be held at your house and all you need is a guitar or bass.

Each half hour lesson costs \$30, 45 minute lessons are \$40 and hour long lessons are \$50. You will have a set time each week that is reserved for you. I have a NO CANCELLATION policy, which means you must pay for your lesson every week whether you are able to make it or not. I will always try and do a make-up lesson when available. If I am sick or have to cancel your lesson you will not be expected to pay for that day and I will let the parents know that there will not be a lesson.

If you would like to sign up or have any questions please feel free to call and leave a message and I will get back to you right away.

Thank you and have a great summer!
