

SCHOOL STORE OPENING

Friday, November 18th

The school store is where the children can go during their lunch period and buy different items such as pens, pencils (scented, color & regular), note books and other school supplies. They will also have school bumper stickers and holiday items for each month. The store is set up in the foyer on designated days during the month. The items for sale will be between \$.05 and \$ 3.00.

If you would like your child to purchase anything from the school store they need to bring their money in an envelope marked with their name and school store money. All items will be bagged up and delivered to the class room before the end of the day. At which time the items they purchased can go home with them.

The school store is always looking for donations and help to run the store. If you would like to donate any items or would like to help out at the school store please contact Norma Tran at hnjce@yahoo.com

**All proceed from the school store will go to the
“Joanne Barnes – Scholarship Fund”**

Thank you for your support!
