

2011-2012 "Buy A Brick" Program

Parents,

By popular demand our "Buy A Brick" campaign is continuing. This campaign was very successful last year. I'm sure many of you have noticed the newly engraved bricks in front of our gym doors and on the stairs of our playground. These bricks make great Christmas, First Communion, Mother's Day and graduation presents. Please place your orders by April 15, 2012. The bricks will be in place, at the location of your choice, by June 1, 2012. Please see the bottom section of this form for more information.
