Dear St John the Baptist Families,

I would like to personally apologize for the September Newsletter going out with grammatical and date errors. The correct file was deleted and the draft copy was sent in error. The PTO cares very much about the education of the children at St John the Baptist School and only wants to reflect a positive image for the school.

The newsletter has been updated and can be viewed on the web site on September 7th. A copy is attached to this letter for your easy viewing and printing.

Thank you again for your understanding on this matter.

Sincerely,

Dianne Full
President

Welcome Back to School

We want to welcome everyone back to school. We especially would like to welcome the 50 new families here at St John the Baptist. If you see a new face, please extend your hand and welcome them to our school. We hope you all had a wonderful summer.

Last year we had a great year of fundraising and hope to continue again this year. At the end of the school year, we had a balance of \$ 1,102.95 which we put toward tuition assistance to help out those families in need.

Thank you for help and support!

Items Needed for School

"Kids Stuff Coupon Book"

Our first fundraiser for the school year is this great coupon book. They have 400 pages and hundreds of coupons. A copy is going home the first week of school with the oldest child in the backpacks. The money is due back September 16th. Our goal for this fundraiser is to sell 500 books. We hope you can help us reach our goal.

There is something for everyone, so check them out. These will make a great Christmas gift. For every five you sell, you get one for free. If you have any questions, please feel free to give Dianne Full a call @ 978-210-3339.
